

Technical data

Isopropanol 400ml

Product description

ISOPROPANOL is a mild, universal cleaner for the safe removal of dirt and grease deposits. ISOPROPANOL removes grease and oil as well as layers of dirt safely and reliably.

Fields of application

Safe, gentle and effective cleaning of all surfaces. Particularly suitable for electronic and mechanical components, equipment, appliances, precision instruments and sensitive optical devices, as well as for cleaning and maintaining audio and Hi-Fi equipment and CDs. Also effective for removing solder and flux residues, solder pastes and cleaning screen printing screens.

Benefits

Thanks to its ambivalent nature, it removes grease and oil as well as ionic impurities. It does not attack the most common materials, and evaporates in a short time without leaving residues.

Storage / service life

If stored correctly, the product has a shelf life of 2 years.

Technical data

Description :Tin	can with spray head and cap
Color:	Colorless, transparent
Odor:	Alcohol
Density :	0.78g/cm ³
Evaporation:	Rapid, complete
residues :	None
Compatibility with materials:	Verygood
Purity:	99.9
